Repository Selection

Please select where you wish to submit your thesis:

☐ Manara Submission

(C) 2025 All rights reserved. I hereby grant University of Doha for Science and Technology and Qatar National Library Repository "Manara" a non-exclusive, irrevocable, worldwide, and royalty-free license to store, copy, display, distribute, and publish my thesis/dissertation and to make it available in any format, distribute, and publicly display this document in whole or in part, in any medium,

including inclusion in the University's/ "Manara" digital repository. No other use, reproduction, or distribution is permitted without my prior written consent.¹ By selecting the Manara checkbox, you authorize the automatic deposit of your thesis into the EBSCO repository. Accordingly, it is not necessary to separately select the EBSCO repository checkbox.

☐ **EBSCO Submission**

I authorize UDST and EBSCO to store, display, and share my thesis/dissertation in academic databases and research indexes. I confirm that this is my original work and that it has been approved by the University for release. I understand that researchers may access my work through EBSCO's academic platforms, and that it may appear in search engines and academic discovery services. I confirm that my thesis/dissertation does not include any restricted, confidential, or sensitive information that would limit public access. I agree that EBSCO may keep a copy of my work for long-term preservation and research use. I also acknowledge that UDST and EBSCO may reject my submission if it does not meet their technical, legal, or content standards.

☐ **ProQuest Submission**

I authorize UDST and ProQuest to store, copy, display, distribute, and publish my work, making it globally accessible. I understand that ProQuest will not publish my thesis until UDST formally releases it for dissemination. I further understand that I may withdraw my work from ProQuest at any time. Additionally, I acknowledge that I am eligible for a 10% royalty based on sales and usage of the full text of my work and may contact disspub@proquest.com to activate this option.
