Copyright & Third-Party Content

I confirm that I am the copyright owner of my thesis. Any third-party material used in the thesis is appropriately cited and/or used with documented permission. My submission does not infringe on any copyrights, patents, trade secrets, or proprietary rights of others.

Author Declaration and Repository Consent Checklist

Please check each box to indicate your understanding and agreement with the following statements:

General Submission

I confirm that I am the author of the thesis and have full authority to make this declaration and grant repository rights as per the indicated choice of online repository.

I confirm that the submitted thesis is the final version approved by UDST examiners prior to my degree award. I understand that the electronic version of my thesis will be available through the repositories authorized by me in the sections below.

Repository Selection

Please select where you wish to submit your thesis:

Manara Submission

(C) 2025 All rights reserved. I hereby grant University of Doha for Science and Technology and Qatar National Library Repository "Manara" a non-exclusive, irrevocable, worldwide, and royalty-free license to store, copy, display, distribute, and publish my thesis and to make it available in any format, distribute, and publicly display this document in whole or in part, in any medium, including inclusion in the University's/ "Manara" digital repository. No other use, reproduction, or distribution is permitted without my prior written consent.¹ By selecting the Manara checkbox, you authorize the automatic deposit of your thesis into the EBSCO repository. Accordingly, it is not necessary to separately select the EBSCO repository checkbox.

EBSCO Submission

I authorize University of Doha for Science and Technology and Elton B. Stephens Company (EBSCO)

¹ This license statement is provided in accordance with UDST IP Policy PL-AC-14, Articles 4.4.1 and 4.4.3

to store, display, and share my thesis in academic databases and research indexes. I confirm that this is my original work and that it has been approved by the University for release. I understand that researchers may access my work through EBSCO's academic platforms, and that it may appear in search engines and academic discovery services. I confirm that my thesis does not include any restricted, confidential, or sensitive information that would limit public access. I agree that EBSCO may keep a copy of my thesis for long-term preservation and research use. I also acknowledge that UDST and EBSCO may reject my thesis if it does not meet their technical, legal, or content standards.

ProQuest Submission

I authorize University of Doha for Science and Technology and ProQuest to store, copy, display, distribute, and publish my thesis, making it globally accessible. I understand that ProQuest will not publish my thesis until the University formally releases it for dissemination. I also understand that I may withdraw my thesis from ProQuest at any time. Additionally, I acknowledge that I am eligible for a 10% royalty based on sales and usage of the full text of my work and may contact disspub@proquest.com to activate this option.

Student Acknowledgement
